WIRKLICH A second look

AT THE SUPERMARKET CHECKOUT

Two people on the left, four on the right.

Which line do you join?

1 **Say what you think first.**
Then turn the card over.

1. Cut here

2. Fold the right side back

WIRKLICH A second look

2 **THE CLUE**

Now you can see the groceries. One cart on the left is full to the brim. Everyone on the right has just one item.

Which line would you choose now?

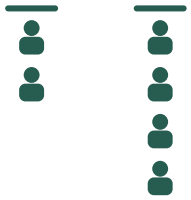

What else might change your mind?
